Note 1: The information submitted by trustees to the Mandatory Provident Schemes Authority (“MPFA”) pursuant to the Mandatory Provident Schemes Ordinance (“MPFSO”) does not include the breakdown of contributions received, benefits paid and accrued benefits respectively in respect of employers’ contributions and employees’ contributions.

Note 2: Since April 2003, trustees have provided to MPFA standardized information on the amount of contributions received and benefits paid, and later on information on the amount of special voluntary contributions.

Note 3: Figures may not add up to the total due to rounding.

Note 4: Figures include a net special contribution of \$8.41 billion paid by the Government to eligible MPF Schemes / Occupational Retirement Schemes Ordinance scheme members in the period of March 2009 to December 2010.
