LCQ11: Rateable values of properties

Wednesday, November 20, 2013

Following is a question by the Hon Sin Chung-kai and a written reply by the Secretary for Financial Services and the Treasury, Professor K C Chan, in the Legislative Council today (November 20):

Question:

Will the Government inform this Council of the respective numbers, percentages and cumulative percentages of assessed properties broken down by their monthly rateable values as at (i) April 1, 2011, (ii) April 1, 2012 and (iii) April 1, 2013 (set out by year in tables of the same format as in Annex 1)?

Reply:

President,

Information on the rateable values of assessed tenements for the years referred to in the question is tabulated in Annex 2.
