**Remuneration for Non-official Members of
Boards and Committees in 2025-26**

Further to the pay freeze for 2025-26 announced in the 2025-26 Budget, there will be **no adjustment** to the remuneration ceiling for non-official members on government boards and committees in 2025-26, which will remain at \$1,085 per attendance as promulgated vide FSTBCM No. 8/2024. This freeze also applies to the actual rates of remuneration of non-official members serving on all government boards and committees, irrespective of whether their current remuneration is at or below the said ceiling.

2. This memo should be read in conjunction with Financial Circular No. 4/2014 on Remuneration of Non-official Members of Boards and Committees.

(Andrew Lai)
for Secretary for Financial Services
and the Treasury
